

Are you or someone you know *hurting* from a past abortion?

Studies show that one on four women in the United States loses a child to abortion.

Project Rachel is the Catholic Church's diocesan-based ministry to those suffering in the aftermath of abortion. The nationwide ministry helps mothers, fathers, family members, friends, and people of faith or no faith who seek compassionate, non-judgmental help. Priests, religious, counselors, and laypeople provide a team response of care that can help to heal those wounded by abortion.

Abortion's impact is extensive and the need for help is great. About 35 million women have lost one or more children to abortion. In addition, a roughly equal number of men have fathered a child who was then aborted. The grandparents of the deceased child or other family members or friends are often involved.

Project Rachel Ministry offers help for all who seek God's mercy, healing and love. If you or someone you know is suffering after abortion, please contact our Project Rachel Referral Line at [1-888-456-HOPE](tel:1-888-456-HOPE) or 419-260-5811 or email Project Rachel Coordinator Kerstin Pakka at kpakka@toledodiocese.org. To learn more about Project Rachel, please visit www.HopeAfterAbortion.org or EsperanzaPosaborto.org.

Project Rachel also offers help for those who supported or participated in an abortion in any way and are suffering as a result. Please see below for information on AbortionShockwaves.org for how you too can find hope and healing.
