

A Virtual Tour of Saint Peter's Basilica

I have had the privilege of studying in Rome for the past three years. For all three years I have been in Rome, part of my pastoral experience (time outside the seminary in order to get real pastoral experience) has been gained by giving tours of Saint Peter's Basilica. It would allow tourists, mainly from the U.S., to have an English speaking tour of the Basilica at the heart of Catholicism. I enjoyed giving these tours to many people as it was great to see their reactions to seeing the Basilica for the first time, and then guiding them through the history and significance of all that is contained on the exterior and interior of the basilica. I used my hobby of photography and took pictures of all the items that I talked about in my tour so I could make a virtual tour in order to share with those who may never have the opportunity to travel to Rome to still have an experience of Saint

Peter's. I am happy to offer this virtual tour of Saint Peter's basilica for all of you to have a chance to experience all that Saint Peter's has within its walls. I will be presenting this virtual tour twice. The presentations will be on Sunday, November 11, 2018 at 1:15 pm and 7:15 pm, both in the auditorium. I hope that you are able to come and experience St. Peter's first hand through my eyes.

In Christ,

Zach Brown
