

Interested in joining the Catholic Church? Which option is for you?

If you are not baptized, the National Statutes state that you are to be in the process for one year. This way you get to experience the fullness of who Christ is as you experience the Liturgical Year.

If you were validly baptized in another Christian faith tradition, yet never participated in that church, it is recommended that you follow the same procedure as one who is not baptized.

If you were validly baptized in another Christian faith tradition and have been active in that church, there are a couple of options depending on your situation.

For those who have a lot of questions regarding what Catholics believe and concerns over the differences, it is recommended that you enter the year-long process; however, note that this does not mean you will be in the process for a year.

For those who have been attending the Catholic Church with their families, who have raised or are raising their children in the faith and may even already be part of a ministry, we have a Special Program that is a much shorter process. Sessions for this year will be held February 9, 23 & March 9 from 9:00 a.m.—4:00 p.m.
