

# FROGS

## Friends of God's Son!

The Church's task is to help each other grow in a personal relationship with Jesus. Whether you are young or young at heart, it all starts with coming to know our loving Father through our friendship with Jesus Christ guided by the Holy Spirit. We want to call Jesus friend!

This will be our main purpose for FROGS – to provide a program to engage three, four and five-year olds in their friendship with Jesus. Each week we will focus on God's Word as proclaimed to the assembly. FROGS will center its program on the Liturgy of the Word. This is how we come to know Jesus. We will then reinforce the message through music, games and arts & crafts! It will be an exciting adventure each week as Jesus becomes more and more real to our youngsters!
